

## **Dear NES Members, dear Colleagues, dear friends,**

I am pleased to inform you that the 45<sup>th</sup> Congress of the Neurootological and Equilibrimetric Society in Kyiv (Ukraine) was successfully performed.

### **Resume of the 45<sup>th</sup> Congress:**

Resuming all the presentations and discussions we assume the followings:

Vertigo and dizziness are two different nosologies, different treatment is necessary. There are scientific neurootological societies, we need standardization of the diagnostic and management procedures as well as cooperation between them. We agreed to create virtual interconnected platform at the website <http://happyvertigo.com/>

### **Members' Assembly decisions:**

The members' assembly was held on 23<sup>th</sup> of May.

We elected the new headquarter: President: Dr Ágnes Szirmai (Budapest, Hungary), Vice-president: Dr. Hideaki Sakata (Tokyo, Japan). The secretaries are Dr Beáta Bencsik (Budapest, Hungary), and Dr Panayiota Mavrogeni (Limassol, Cyprus) and the treasurer: Eng. Gábor Bencze (Budapest, Hungary). We elected the scientific coordinator; he is Dr Kostiantyn Trinus (Kyiv, Ukraine).

Since the International tinnitus Journal became an open access journal, the members' assembly decided that for the NES members only the "free of charge" position is acceptable, unless we declare that NES are independent from ITJ, and prohibit use the term „Official Journal of NES”.

### **The foundation of BUDAPEST award:**

Our aim is to increase the young NES member's number, and the scientific impact of NES. To achieve this reason, we accept the foundation of BUDAPEST AWARD: The winner is the best lecture of the NES Congress presented by a young NES member. Only the first author can win the award. First author must be a NES member for a year, and he/she must be up to 40 years old.

Award: 300 Euros + free registration for the next NES congress.

Decision about the winner: votes of the NES headquarter (president, secretaries, vice-president, scientific coordinator), based on the abstract's scientific merit. We are waiting for young doctors and scientists!

### **Membership fee:**

The payment of the membership fee is necessary to maintain our society. The membership fee of the Neurootological and Equilibrimetric Society is remaining 50 Euros. The deadline of the payment is 31<sup>st</sup> March in every year. If you don't pay the membership fee of thy year already, please do it as soon as possible!

Bank Account data:

Name of the bank: OTP Bank Nyrt., 1051 Budapest, Nádor u. 16.

Our bank account:

Branch address: OTP BANK NYRT. BUDAPESTI RÉGIÓ XVIII. KERÜLETI FIÓK. 1118

BUDAPEST ÜLLŐI ÚT 377., Account number: 11718000 – 21102217, IBAN: HU08 11718000-21102217-00000000, SWIFT code: OTPVHUHB

**Upcoming, 46<sup>th</sup> congress of the NES:**

I am very pleased to tell you that the upcoming NES congress will be held in Tokyo, Japan, 29<sup>th</sup> May- June 1<sup>st</sup> 2019, under the chairmanship of Dr Hideaki Sakata. The flyer is in the attachment.

Please, save the date!

I hope that we will meet in Tokyo in 2019.
